

ACCESSORIES

6623" - E-Body Heater Core Housing - \$189 each

An excellent reproduction of the 1970-74 E-Body outer heater core housing for non-Air Conditioned applications. The original parts are commonly broken near the lower vent opening and this reproduction has been strengthened to make the part stronger than original. Injection molded with all of the details of an original part. Includes both vent cable and heater control cable mounting brackets.
