

# EXHAUST

	<p>"1223" - Small Block Exhaust Manifold Conical Washer - \$2 each          Excellent reproduction of the thick conical washer used under every bolt and nut that secures Small Block exhaust manifolds to the head surface. 10-12 washers required for each engine. Washers sold individually. Reference Chrysler part number 2121223.</p>
	<p>"OML" - 1968-70 340 HP Exhaust Manifold Sleeve Nut - \$8 each          Correct 5/16-24 UNF x 2.50" hex head sleeve nut. 2 required per vehicle.</p>
	<p>"OMW" - SHORT Big Block Exhaust Manifold Sleeve Nut - \$8 each          Correct 3/8-24 UNF x 1.94" hex head sleeve nut. See kits below for required quantities for each vehicle.</p>
	<p>"OMK" - LONG Big Block Exhaust Manifold Sleeve Nut - \$8 each          Correct 3/8-24 UNF x 2.84" hex head sleeve nut. See kits below for required quantities for each vehicle.</p>
	<p>"8135" - 1968-70 340 HP Exhaust Manifold Fastener Kit - \$47 per kit          Correct bolts, studs, nuts, conical washers, &amp; sleeve nuts.</p>
	<p>"8023" - 1971-74 340 &amp; 360 HP Exhaust Manifold Fastener Kit - \$47 per kit          Correct bolts, studs, nuts, hex collar stud &amp; conical washers.</p>
	<p>"8061"- 1966-69 Big Block Low Performance Exhaust Manifold Fastener Kit - \$26 per kit          Studs, nuts, &amp; sleeve nuts. For use on 361 and 383 big block low performance (2-barrel) applications.</p>
	<p>"8062" - 1962-65 Street Wedge Exhaust Manifold Fastener Kit - \$40 per kit          Studs, nuts, &amp; sleeve nuts. Fits 361, 383, and 426 big block B-Body applications.</p>
	<p>"8063" - 1967 440 HP Exhaust Manifold Fastener Kit - \$48 per kit          Studs, nuts, &amp; sleeve nuts.</p>

	<p>"8065" - 1968-74 383/440 HP Exhaust Manifold Fastener Kit - \$38 per kit B &amp; E-Body ONLY! Studs, nuts, &amp; sleeve nuts.</p>
	<p>"8065A" - 1967-69 383/440 HP Exhaust Manifold Fastener Kit - \$50 per kit A-Body ONLY! Studs, nuts, &amp; sleeve nuts.</p>
	<p>"8065C" - 1968-71 383/440 HP Exhaust Manifold Fastener Kit - \$55 per kit C-Body ONLY! Studs, nuts, &amp; sleeve nuts.</p>
	<p>"8066" - 1966-71 426 Hemi Exhaust Manifold Fastener Kit - \$67 per kit Bolts and conical washers</p>
	<p>"8067" - Max Wedge Exhaust Manifold Fastener Kit - \$35 per kit Studs, nuts, &amp; sleeve nuts.</p>
	<p>"AX0029-225" - 2 1/4" Exhaust Manifold Flange - \$10.75 Each Stamped from 3/8" thick steel for 2 1/4" ID flanges used on various applications. Don't settle for those flimsy 1/4" plate flanges offered by most exhaust shops that warp and leak.</p>
	<p>"AX0029-250" - 2 1/2" Exhaust Manifold Flange - \$10.75 Each Stamped from 3/8" thick steel for 2 1/2" ID flanges used on all 67-74 High Performance Chrysler engines. Don't settle for those flimsy 1/4" plate flanges offered by most exhaust shops that warp and leak.</p>
	<p>"029" - 2 1/2" Exhaust Manifold Flange Gasket - \$7.50 Each Excellent reproduction of the 2 1/2" exhaust manifold flange gasket used on 1967-74 high performance engines. Stamped from correct temper steel with all of the details of an original part. Black oxide &amp; oil seal finished as original. Don't settle for those nasty fiber gaskets that fail and leak. Chrysler engineers knew best! Reference Chrysler part number 2856 029.</p>
